# CLEAN-IT

## ALL-PURPOSE HARD SURFACE CLEANER

### FOR AGRICULTURAL APPLICATIONS

#### TYPICAL APPLICATIONS

**CLEAN-IT** is an amazing water soluble cleaner that removes both organic and inorganic soils. It quickly emulsifies, suspends, and removes oil, grease, dirt, grime, soot, and carbon. The chelating agents in **CLEAN-IT** combine with hardness minerals to inhibit them from forming adherent deposits. Continued use may even remove some hardness minerals that have formed over time.

#### BIODEGRADABLE

**CLEAN-IT** is made from biodegradable materials. Because it is a liquid it can be conveniently and accurately dispensed without waste.

#### LOW-FOAMING

**CLEAN-IT** produces a lower foaming use-solution to aid in the application of this product with automatic scrubbers and high-pressure washers. High wetting agent levels provide excellent cleaning action.

#### FREE RINSING

Wetting agents in **CLEAN-IT** are carefully selected to provide excellent rinsing ability.

#### DIRECTIONS

##### **For Heavy Grease Removal:**

Dilute 1 part **CLEAN-IT** with 2 to 5 parts of clear water.

##### **For Heavy Duty Cleaning:**

Dilute 4 ounces (120 ml) of **CLEAN-IT** to 1 gallon (3.8 litres) of water.

##### **For General Cleaning:**

Dilute 1 to 2 ounces (30-60 ml) **CLEAN-IT** to 1 gallon (3.8 litres) of water.

##### **For High Pressure Washing:**

Dilute 1 to 2 ounces (30-60 ml) **CLEAN-IT** to 1 gallon (3.8 litres) of water.

#### SAFETY & HANDLING PROCEDURE

This product is a slightly alkaline material and can be handled safely by using the standard procedures for chemicals of this type. Prolonged or repeated skin contact may cause irritation. In case of skin contact with concentrated product, rinse well with water. Remove and launder contaminated clothing prior to reuse. In case of eye contact, rinse eye with water for 15 minutes. If irritation persists, obtain medical attention. If swallowed, give large amounts of water and obtain medical attention immediately.

#### PHYSICAL PROPERTIES

Appearance .....Purple Liquid  
Odor ..... Mild  
pH of 1% Solution ..... 9.5-10.5  
Pounds per Gallon ..... 8.5-9

#### **Seller Warranty**

Applies to all products sold by CH<sub>2</sub>O, Inc., and is hereby communicated to all of its customers as a condition of sale.

Seller warrants that this product conforms to its chemical description and is reasonably fit for the purpose referred to in the directions for use when used in accordance with the directions under normal conditions. Buyer assumes the risk of any use contrary to such directions. Seller makes no other warranty or representation of any kind, express or implied, concerning the product, including **NO IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS OF THE GOODS FOR ANY OTHER PARTICULAR PURPOSE**. No such warranties shall be implied by law and no agent of seller is authorized to alter this warranty in any way except in writing with a specific reference to this warranty. The exclusive remedy against seller shall be a claim for damages not to exceed the purchase price of the product, without regard to whether such a claim is based upon breach of warranty or tort. Jurisdiction for any issues arising from or relating to this product shall be in the courts of the State of Washington and the venue shall be Thurston County. Any controversy or claim arising out of or relating to this contract, or breach thereof, shall be settled by arbitration in accordance with the rules and procedures as stated in RCW 7.06 and shall be binding upon both parties without right to appeal, and judgment upon the award rendered by the Arbitrator(s) may be entered in any court having jurisdiction thereof.
