## **EVER-KLEEN 9247 NEUTRAL FLOOR CLEANING CONCENTRATE**

### **TYPICAL APPLICATIONS**

**EVER-KLEEN 9247** is a neutral, no-rinse, low-foam cleaning concentrate for mopping or auto-scrubbing. It quickly emulsifies dirt and soils on any washable surface leaving it clean and shiny with no need to rinse. **EVER-KLEEN 9247** will not damage or dull metal-interlock floor finishes. It restores the original beauty of your floor's finish.

### **BIODEGRADABLE**

**EVER-KLEEN 9247** is made from biodegradable and non-toxic materials. It is pH neutral for safer handling. Because it is a liquid it can be conveniently and accurately dispensed without waste.

### **LOW FOAMING**

**EVER-KLEEN 9247** provides low foaming to aid power scrubber use. High wetting-agent levels promote cleaning action.

### **FREE RINSING**

Wetting agents in **EVER-KLEEN 9247** are carefully selected to provide excellent rinsing ability.

### **SAFETY & HANDLING PROCEDURE**

This product is irritating to the eyes. If direct contact occurs, flush eyes with warm water for 15 minutes. Consult physician if irritation continues. Detergents contained in this product may be harmful if swallowed.

### **GENERAL DIRECTIONS**

Mopping Floors:

Dilute 3 ounces of **EVER-KLEEN 9247** per gallon of cool water.

Automatic Floor Scrubbers:

Dilute 2 ounces of **EVER-KLEEN 9247** per gallon of cool water.

Light Cleaning:

Dilute 2 ounces of **EVER-KLEEN 9247** per gallon of water.

**NOTE: VERY HOT WATER CAN DAMAGE FLOOR FINISHES.**
