CLEAN-IT H LOW-FOAMING HARD SURFACE CLEANER FOR AGRICULTURAL APPLICATIONS

TYPICAL APPLICATIONS

CLEAN-IT H is an amazing water soluble cleaner that removes both organic and inorganic soils. It quickly emulsifies, suspends, and removes oil, grease, dirt, grime, soot, and carbon. The low foaming and proprietary blend of sheeting agents in **CLEAN-IT H** allow for a clean, streak-free surface.

BIODEGRADABLE

CLEAN-IT H is made from biodegradable materials. Because it is a liquid, it can be conveniently and accurately dispensed without waste.

LOW-FOAMING

CLEAN-IT H produces a lower foaming use-solution to aid in the application of this product with automatic scrubbers and high-pressure washers.

FREE RINSING

Wetting agents in **CLEAN-IT H** are carefully selected to provide excellent rinse ability.

DIRECTIONS

For Grease Removal:

Dilute 1 part **CLEAN-IT H** with 2 to 5 parts of clear water.

For Heavy Duty Cleaning:

Dilute 6-8 ounces (120 ml) of **CLEAN-IT H** to 1 gallon (3.8 liters) of water.

DIRECTIONS, (continued)

For General Cleaning:

Dilute 2 to 3 ounces (60-90 ml) **CLEAN-IT H** to 1 gallon (3.8 liters) of water.

For High Pressure Washing:

Dilute 1 ounce (30 ml) **CLEAN-IT H** to 1 gallon (3.8 liters) of water.

SAFETY & HANDLING PROCEDURE

This product is a slightly alkaline material and can be handled safely by using the standard procedures for chemicals of this type. Prolonged or repeated skin contact may cause irritation. In case of skin contact with concentrated product, rinse well with water. Remove and launder contaminated clothing prior to re-use. In case of eye contact, rinse eye with water for 15 minutes. If irritation persists, obtain medical attention. If swallowed, give large amounts of water and obtain medical attention immediately.

Seller Warranty

CH₂O brand test reagent refills are available through your sales representative at no charge. Customers are required to confirm product compatibility via a control test for their specific application. CH₂O recommends that you perform regular/daily testing to control chemical levels and cycles of concentration within established limits. Additional tests may be performed at your request. Test reports reflect conditions at the point when the analysis was performed. Results will change over time and with varying operating conditions.

Seller warrants that this product conforms to its chemical description and is reasonably fit for the purpose referred to in the directions for use when used in accordance with the directions under normal conditions. Buyer assumes the risk of any use contrary to such directions. Seller makes no other warranty or representation of any kind, express or implied, concerning the product, including NO IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS OF THE GOODS FOR ANY OTHER PARTICULAR PURPOSE. No such warranties shall be implied by law and no agent of seller is authorized to alter this warranty in any way except in writing with a specific reference to this warranty. The exclusive remedy against seller shall be a claim for damages not to exceed the purchase price of the product, without regard to whether such a claim is based upon breach of warranty or tort. Jurisdiction for any issues arising from or relating to this product shall be in the courts of the State of Washington and the venue shall be Thurston County. Any controversy or claim arising out of or relating to this contract, or breach thereof, shall be settled by arbitration in accordance with the rules and procedures as stated in RCW 7.06 and shall be binding upon both parties without right to appeal, and judgment upon the award rendered by the Arbitrator(s) may be entered in any court having jurisdiction thereof.

Applies to all products sold by CH₂O, Inc., and is hereby communicated to all of its customers as a condition of sale. Use of CH₂O products is subject to the Standard Terms and Conditions as listed on CH₂O, Inc.'s website at: www.ch2o.com.
