GREEN-KLEEN Environmentally Friendly Hard-Surface Cleaner

TYPICAL APPLICATIONS

GREEN-KLEEN is an amazing cleaner that is formulated entirely from ingredients listed on EPA's Designed for the Environment (DfE) list of "Safer Chemical Ingredients" (located online at www.epa.gov/dfe). Its buffered alkalinity allows **GREEN-KLEEN** to quickly emulsify, suspend, and remove all types of soils including grease, dirt, grime, carbon, and other common soil problems.

GREEN-KLEEN is a versatile all-purpose cleaner concentrate; its buffered alkalinity makes it the ideal choice for any washable surface.

DIRECTIONS

For Heavy Soil Removal:

Use 16 to 24 ounces of **GREEN-KLEEN** per gallon of water.

For General Cleaning:

Use 2 to 4 oz. **GREEN-KLEEN** per gallon of water.

For Pressure Washing & Automatic Scrubber:

Use 1 to 2 ounces of **GREEN-KLEEN** per gallon of water.

SAFETY & HANDLING PROCEDURE

This product is an alkaline material and should be handled carefully. Prolonged contact with product concentrate may cause irritation. Read and understand the Safety Data Sheet for **GREEN-KLEEN** before handling or use.

MODERATE FOAMING

GREEN-KLEEN produces moderate-foaming use-solutions that rinse easily. If high-foam application is required, supplement use-solutions with **FOAMY XF4M** at the rate of 1 pint per 5 gallons. **GREEN-KLEEN** may be applied with automatic scrubbers and high pressure washers.

PHYSICAL PROPERTIES

Appearance Clear, Colorless Liquid
Odor..... Mild
pH of 1% Solution..... 10.0-11.0
Pounds per Gallon.....9.0-9.5

Seller Warranty

CH₂O brand test reagent refills are available through your sales representative at no charge. Customers are required to confirm product compatibility via a control test for their specific application. CH₂O recommends that you perform regular/daily testing to control chemical levels and cycles of concentration within established limits. Additional tests may be performed at your request. Test reports reflect conditions at the point when the analysis was performed. Results will change over time and with varying operating conditions.

Seller warrants that this product conforms to its chemical description and is reasonably fit for the purpose referred to in the directions for use when used in accordance with the directions under normal conditions. Buyer assumes the risk of any use contrary to such directions. Seller makes no other warranty or representation of any kind, express or implied, concerning the product, including NO IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS OF THE GOODS FOR ANY OTHER PARTICULAR PURPOSE. No such warranties shall be implied by law and no agent of seller is authorized to alter this warranty in any way except in writing with a specific reference to this warranty. The exclusive remedy against seller shall be a claim for damages not to exceed the purchase price of the product, without regard to whether such a claim is based upon breach of warranty or tort. Jurisdiction for any issues arising from or relating to this product shall be in the courts of the State of Washington and the venue shall be Thurston County. Any controversy or claim arising out of or relating to this contract, or breach thereof, shall be settled by arbitration in accordance with the rules and procedures as stated in RCW 7.06 and shall be binding upon both parties without right to appeal, and judgment upon the award rendered by the Arbitrator(s) may be entered in any court having jurisdiction thereof.

Applies to all products sold by CH₂O, Inc., and is hereby communicated to all of its customers as a condition of sale. Use of CH₂O products is subject to the Standard Terms and Conditions as listed on CH₂O, Inc.'s website at: www.ch2o.com.
