# TERRIFIC<sub>HD</sub> CONCENTRATED, BUTYL-BASED, INDUSTRIAL STRENGTH, ALL-PURPOSE CLEANER

TERRIFIC<sub>HD</sub> is a concentrated blend of biodegradable surfactants and water-based solvents for use in cleaning surface stains, pitch residue, animal and vegetable oils, greases, and most other organic and inorganic soil buildups. TERRIFIC<sub>HD</sub>'s special blend of cleaners makes it the ideal choice for many unusually difficult to clean industrial applications. To increase the cleaning power of TERRIFIC<sub>HD</sub>, prepare your cleaning solution with warm water and let the cleaning solution stay on the area to be cleaned for 1 minute or more before scrubbing and rinsing off.

### DIRECTIONS FOR USE

TERRIFIC<sub>HD</sub> may be added directly to the soiled area by any convenient method to include brush, mop, spray bottle or pump-up sprayer. TERRIFIC<sub>HD</sub> may also be applied with a high pressure sprayer. Some typical dilution rates are shown below:

	<u>TERRIFIC</u> (ounces)	<u>WATER</u>
<b>(gallons)</b>		
Pressure Washing	2	1
Cleaning Concrete	4	1
Cleaning Painted Surfaces	4	1
Tile & Grout	4	1
Driveways & Parking Areas	8	1
Whitewall Tires	8	1
Degreasing Machinery	25	1
Removing Floor Adhesive	30	1

### SAFETY & HANDLING PROCEDURE

This product is alkaline. Direct exposure to the concentrated material can cause burns. Safety glasses or goggles and impervious gloves should be worn during use. Protective clothing should be worn as necessary to eliminate contact with the product or its use-solutions.

Flush eyes with fresh water for 15 minutes for exposure to product. Contact a physician if irritation persists. Flush skin thoroughly upon exposure; continue flushing until slick feeling is gone. Remove and launder contaminated clothing before reuse.

### PHYSICAL PROPERTIES

Pounds per Gallon..... 8.5-9.0  
pH of 1% Solution..... 11.0-12.0  
Appearance..... Blue Liquid  
Odor..... Butyl

### Seller Warranty

CH<sub>2</sub>O brand test reagent refills are available through your sales representative at no charge. Customers are required to confirm product compatibility via a control test for their specific application. CH<sub>2</sub>O recommends that you perform regular/daily testing to control chemical levels and cycles of concentration within established limits. Additional tests may be performed at your request. Test reports reflect conditions at the point when the analysis was performed. Results will change over time and with varying operating conditions.

Seller warrants that this product conforms to its chemical description and is reasonably fit for the purpose referred to in the directions for use when used in accordance with the directions under normal conditions. Buyer assumes the risk of any use contrary to such directions. Seller makes no other warranty or representation of any kind, express or implied, concerning the product, including NO IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS OF THE GOODS FOR ANY OTHER PARTICULAR PURPOSE. No such warranties shall be implied by law and no agent of seller is authorized to alter this warranty in any way except in writing with a specific reference to this warranty. The exclusive remedy against seller shall be a claim for damages not to exceed the purchase price of the product, without regard to whether such a claim is based upon breach of warranty or tort. Jurisdiction for any issues arising from or relating to this product shall be in the courts of the State of Washington and the venue shall be Thurston County. Any controversy or claim arising out of or relating to this contract, or breach thereof, shall be settled by arbitration in accordance with the rules and procedures as stated in RCW 7.06 and shall be binding upon both parties without right to appeal, and judgment upon the award rendered by the Arbitrator(s) may be entered in any court having jurisdiction thereof.

Applies to all products sold by CH<sub>2</sub>O, Inc., and is hereby communicated to all of its customers as a condition of sale. Use of CH<sub>2</sub>O products is subject to the Standard Terms and Conditions as listed on CH<sub>2</sub>O, Inc.'s website at: [www.ch2o.com](http://www.ch2o.com).
