M-202 CONCENTRATED BUTYL-BASED ALL-PURPOSE CLEANER

M-202 is a biodegradable, heavy-duty, concentrated butyl-based cleaner. **M-202** contains non-flammable silicates, surfactants, water-soluble solvents, and 2 percent phosphates to create one of the most effective concentrated, all-purpose cleaners on the market today.

M-202 will clean:

Ceilings	Driveways	Fan Hoods
Floors	Formica	Glass
Leather	Plastics	Refrigerators
Showers	Tile	Walls
Yard Furniture	Exterior Painted Surfaces	

M-202 will remove:

Grease	Gum	Ink
Lipstick	Oil	Sap
Soils	Tar	Waxes

SAFETY & HANDLING PROCEDURE

This product is a mildly alkaline material. Safety glasses and impervious gloves should be worn when handling the concentrated product. Flush exposed skin with fresh water. For eye exposure, rinse for 15 minutes and contact a physician if irritation persists.

DIRECTIONS

When general cleaning, **M-202** may be diluted at a rate of 1 ounce to 8 ounces per gallon of water.

DIRECTIONS FOR USE (Cont'd)

To improve product performance always dilute with warm water and allow a contact time of 1 minute or more before scrubbing and rinsing. **M-202** may be used in a spray bottle, applied with a pressure sprayer, mop, cloth, brush, or sponge. Always rinse after cleaning.

Recommended Dilutions For M-202:

pH of 1% Solution	10.0-12.0
Pounds per Gallon	8.5-9.0
Flash Point	>140°F

Seller Warranty

CH₂O brand test reagent refills are available through your sales representative at no charge. Customers are required to confirm product compatibility via a control test for their specific application. CH₂O recommends that you perform regular/daily testing to control chemical levels and cycles of concentration within established limits. Additional tests may be performed at your request. Test reports reflect conditions at the point when the analysis was performed. Results will change over time and with varying operating conditions.

Seller warrants that this product conforms to its chemical description and is reasonably fit for the purpose referred to in the product data sheet. Buyer is responsible to ensure that products and product dosages are appropriate for Buyer's particular application. Seller makes no other warranty or representation of any kind, express or implied, concerning the product, including NO IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS OF THE GOODS FOR ANY OTHER PARTICULAR PURPOSE. No such warranties shall be implied by law and no agent of seller is authorized to alter this warranty in any way except in writing with a specific reference to this warranty. The exclusive remedy against seller shall be a claim for damages not to exceed the purchase price of the product, without regard to whether such a claim is based upon breach of warranty or tort. Jurisdiction for any issues arising from or relating to this product shall be in the courts of the State of Washington and the venue shall be Thurston County. Any controversy or claim arising out of or relating to this contract, or breach thereof, shall be settled by arbitration in accordance with the rules and procedures as stated in RCW 7.06 and shall be binding upon both parties without right to appeal, and judgment upon the award rendered by the Arbitrator(s) may be entered in any court having jurisdiction thereof.

Applies to all products sold by CH₂O, Inc., and is hereby communicated to all of its customers as a condition of sale. Use of CH₂O products is subject to the Standard Terms and Conditions as listed on CH₂O, Inc.'s website at: www.ch2o.com.
